

Job Title: **Director of Care**
Employment Status: **Full-Time**
Location: **Thunder Bay, Ontario**

We are owners and operators of full service Retirement Residences and are seeking a mature, energetic, motivated individual with management experience. Qualified candidates will possess the following:

Qualifications:

Current registration as a Registered Nurse with applicable Provincial license body is required. Successful completion of Nursing Unit Administrator Program BScN or equivalent, and a program in Gerontology or equivalent an asset.

- A minimum of three years relevant experience in organizational management and/or long-term care.

Responsibilities/Requirements:

- Experience in the seniors' retirement industry is a preference.
- Plans, directs, co-ordinates and supervises the overall nursing program for residents within the facility.
- Implements and monitors controls and safekeeping of drugs and narcotics. Supervises the drug administration program including the administration of medication by all staff.
- Directs and monitors the maintenance of health care records to ensure compliance with regulations and quality care for the resident.
- As appropriate, meets with residents' family to resolve problems/concerns/complaints.
- Hires, orients, schedules, supervise and evaluate the performance of nursing personnel.
- Assists the General Manager with budget preparation and implementation for the Nursing Department.
- Co-ordinates and monitors the Infections Control Program for the Nursing Department.
- Assumes administrative duties as required in the General Manager's absence.
- Create a positive ambience in the community for residents, family & friends, and all team members.

We offer competitive remuneration packages, commensurate with experience. Only successful candidates will be contacted. No agencies or phone calls please.
